Re: Old Dominion Freight Line  
Greensboro NC

Dear John:

This letter serves notice to you that Cunningham Brick Company, Inc. has processed all soil in reference to the above titled job. Cunningham Brick Company, Inc. hereby releases the Generator and its agents from any future liability regarding this tainted soil as the soil has been properly treated as outlined by our permit No. 3241R9 issued to Cunningham Brick Company, Inc. by the North Carolina Department of Natural resources Division of Environmental Management.

Should you have any questions regarding the content of this letter please feel free in giving me a call.

Respectfully yours,

CUNNINGHAM BRICK COMPANY, INC.

  
David L. Arrowood  
Director of Environmental Services
